

Even Start Program

As a parent, you are your child's first and most important teacher. The Even Start program is a family literacy program that supports reaching educational goals for your family. Even Start can help you get your GED or High School Diploma, help you make sure your children are ready for school and provide fun learning activities for you and your children to do together. Even Start staff will provide educational visits at your home providing individual instruction for the whole family. Your family will also participate in several educational group activities located in the community.

Are you eligible for Even Start?

YOU ARE ELIGIBLE IF:

- ~ You have a child in your family between 0 and 8 years old.
- ~ You need or want a high school diploma, or want to write or speak English better.
- ~ You agree to participate in learning activities that are center and home based, which will help you learn more about being the best parent that you can be.
- ~ You enroll your child in an early childhood program, such as Head Start, a traditional school, pre-school, or home instruction.
