Internships and Learning

Each CAP intern will work a typical work day Monday – Thursday at an assigned business or as needed by the host organization. On each Friday, the interns will participate in a **mandatory** joint-learning day that will involve a variety of activities. Staffed by the WIB, interns will receive customized job coaching on resumes, interviewing and networking. The group of interns will also work on various community projects as a team. Some additional time beyond the Monday – Friday work week may be required on weekends and evenings to complete the community project and networking event.
